December 2003 Volume 1 Edition 11

Ho Ho Ho Merry Christmas! This has got to be the best time of the year! Many of the houses are all dressed up in their Christmas best, with lights that is. Santa is checking his naughty and nice list and the reindeer are getting ready for the big ride. Yes! the holidays are right around the corner. Of course when the holidays come so do many of the bustling and rushing to get those last minute gifts and prepare for or attend holiday parties. Remember as the time ticks away to take a moment for yourself as well. Enjoy the holidays and the magic it brings!

The Festival of Trees is just around the corner! Viewing of the trees will be December 13th & 14th from 10:00am to 5:00pm. Many washi picture frames have been made for the Command tree and now all they need are the faces of our loved ones to fill them. Please drop off a picture to 170 Gridley Lane or 64 Kimball, you can even drop them in the mail: Commander 7th Fleet Ombudsmen, PSC 473 BOX 290, FPO-AP 96349-0290. Or if you prefer, email us a picture. Please understand: to have your picture ready for the tree we must have it **no later than December 8th**. The frame opening is 2 1/2 by 4 1/2, so please make sure the picture you choose will fit into this space.

Below you will find the information for the upcoming Christmas Parties! Enjoy and Happy Holidays!
